How much does it cost to operate a 65,000 square foot world class museum? Provide operating support to a staff with over 175 combined years of experience? Keep the monthly speaker series free of charge? Preserve over 35,000 artifacts, archival documents, uniforms and photographs?

Our estimate is, over \$3,500 per day for items like:

- ◆ A gift of \$20 per month will keep the lights on and the exhibits working - \$200 per day
- ◆ A gift of \$10 per month will keep our speaker series FREE, and provide funds for school and group programs and living history - \$125 per day
- ◆ A gift of \$15 per month will allow us to Curate artifacts and purchase the materials needed for preservation - \$147 per day
- ◆ A gift of \$10 per month keeps our building neat and clean and provides fresh water and facilities for daily use - \$100 per day
- ◆ A gift of \$5 per month allows us to maintain optimum temperatures and humidity levels for people and artifacts - \$60 per day
- ◆ A gift of \$5 per month keeps our telephones and computers working - \$60 per day
