25th Anniversary Memorial Brick

As we mark The National Civil War Museum's 25th anniversary we remember that we were designed to serve as a center for the unbiased presentation of the American Civil War. Since opening in February 2001, the Museum has hosted OVER 1 MILLION visitors, while preserving over 38,000 artifacts, photos and documents and telling the stories of the soldiers, civilians, men, women and children whose lives were impacted forever by the American Civil War.

You can memorialize your commitment to our mission by placing a 25th Anniversary brick in our *Friends Walkway*.

The 12" by 12" limestone gray brick will bear a special anniversary logo and three lines of personalized text with 21 characters/spaces per line.

The donation is \$250 per brick and is 100% tax deductible. Members receive a \$25 discount.
